

**FRAMINGHAM CENTRE NURSERY SCHOOL EXTENDED DAY APPLICATION 2008-09**

The monthly prepaid rates for regularly enrolled Extended Day children will be paid on the same nine-month schedule as tuition and Stay Day. There is no sibling reduction for this part of the day. You always have the option for your child to attend Extended Day as a drop-in. Please call the office (508-875-8260) with questions.

**Daily prepaid rates** for 2008-09 Extended Day will be:

2:45 or 3:00pm – 4:00pm                      \$ 8.50  
 2:45 or 3:00pm – 5:00pm                      \$17.  
 2:45 or 3:00pm – 5:30pm                      \$21.25

**Daily drop-in rates** for 2008-09 Extended Day will be:

2:45 or 3:00pm – 4:00pm                      \$ 9.50  
 2:45 or 3:00pm – 5:00pm                      \$19.  
 2:45 or 3:00pm – 5:30pm                      \$23.75

Please note that Extended Day ends promptly at 5:30pm. Late fees are charged at \$1.00/minute after 5:30pm. We do not mean to be inhospitable, but the teachers will have put in a full day by then just as your child has and everyone is more than ready to go home. Because teachers cannot lock up and leave until you and your child have departed from the building, you are billed until that happens. We have learned from experience that teachers can be from 5-20 minutes late leaving school daily. We would be glad to share with you suggestions that may help you to support your child’s transition for a timely departure.

Using the table below, please indicate which day(s) and time(s) per week you would like to sign up for by putting an “X” in the 2:45 or 3pm-4pm, **OR** 2:45 or 3pm-5pm **OR** 2:45 – 5:30pm columns.

Finally, please tally the total cost for each set of days per month in the last column. The “Total per Month” at the bottom of the table is your total cost.

For example, if you signed up for Extended Day until 5:30pm on MW and 4pm on F, you would write in the dollar figure \$85 for Monday, Wednesday and \$34 for Friday under “Total for Specific Days.” In the example given, you would write \$204 under “Total per Month”.
