## **Help us celebrate!**

September, 2008 marked the second anniversary of Framingham Centre Nursery School as an **independent** nonprofit corporation.

After a 43 year partnership in delivering top notch early education, Framingham Centre Nursery School (FCNS) became an independent nonprofit corporation in 2006. These steps were taken in order to independently forward our vision and to utilize the most current knowledge about child development. Our goal is to support the fulfillment of the potential that is each child's gift to the future.

Framingham Centre Nursery School is a preschool program that provides a high quality preschool experience through its developmental curriculum. This curriculum encourages each child's individual growth through socialization and hands-on experiences in a nurturing and safe environment.

What sets Framingham Centre Nursery School apart is its commitment to be flexible to the needs of families.

- Flexible full and part-time programs available for children from 2.9 to 5 years
- Joining in on "Lunch Bunch", "Stay Day" or "Extended Day" with just a phone call to the Executive Director
- Multiple opportunities to attend day, evening and weekend family gatherings and events
- Active Parent Teacher Organization (PTO) involvement
- A large fenced in playground. Wooded areas within the school property afford excellent opportunities for nature and science studies.
- Warm nurturing staff with diverse experiences and backgrounds
- Gym and music classes led by experienced instructors

Framingham Centre Nursery School (FCNS) is proud to be accredited by the National Association for the Education of Young Children (NAEYC).
